

ENROLL TODAY

SAVE ENERGY & MONEY TOMORROW

PHILADELPHIA, PA
 BEGINS APRIL 17, 2019

Building Operator Certification® (BOC) is the leading training and certification program for facilities personnel. Our graduates make their buildings more efficient, comfortable, and sustainable.

What BOC students have said:

(I already) "...began applying my newly gained knowledge in helping Quaker Valley more efficiently manage their facilities – especially with energy management." Thomas H.

"BOC training is excellent and every maintenance person out there should get this training to help them understand the changes they can make to help save energy and money for their companies and themselves." Robert F.
