

GREEN BUILDING UNITED 2023 SUSTAINABILITY SYMPOSIUM

Join us on May 24th at Drexel University!

Green Building United is excited to announce the 13th Annual Sustainability Symposium taking place May 24th, 2023 at Drexel University! The Symposium is a full day of educational sessions covering cutting-edge green building and sustainability topics and industry best practices, including LEED, Passive House, Living Building Challenge, Enterprise Green Communities, WELL, green stormwater infrastructure, and 2030 Districts.

Join us to hear experts from across the region and beyond as they discuss their current work, opportunities for social, environmental, and economic impact, and challenges ahead in the sustainability field.
